

Conflict Minerals Policy

Yum! Brands promotes responsible sourcing and is committed to taking steps that mitigate the risk of funding conflict and human rights abuses with the use of conflict minerals (i.e., Tin, Tungsten, Tantalum, and Gold) in the Democratic Republic of the Congo and adjoining countries.

- Ensure products are responsibly manufactured by suppliers. Suppliers are expected to ensure that products supplied to Yum! Brands do not contain metals derived from 3TG minerals or their derivatives and that they do not directly or indirectly finance or benefit armed groups in the Democratic Republic of the Congo or any adjoining country.
- Source components and materials from companies that share our values around human rights, ethics and environmental sustainability. Our suppliers are required to comply with our [Supplier Code of Conduct](#) and are responsible for passing these same requirements onto their suppliers.
- Comply with the Securities and Exchange Commission's ("SEC") final rule on Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Final Rule").
